MARY LOU

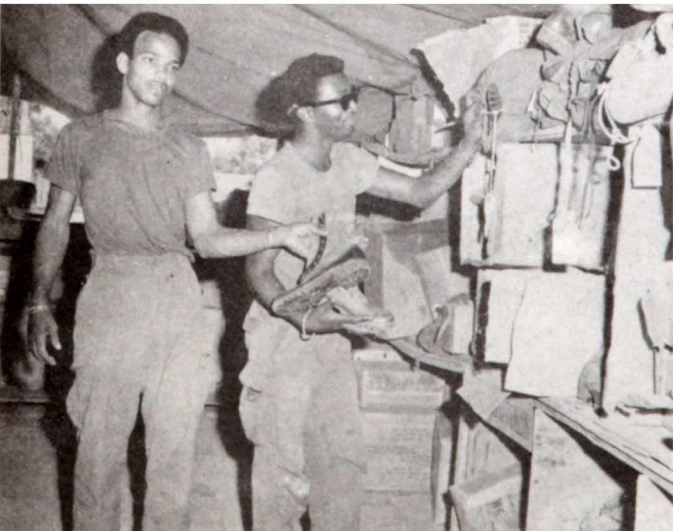

Green is for vegetation, blue for rivers...

I say again.... Hotel, Echo, Lima, Papa

It's easier to clean and it doesn't jam!

I'd like this boot in green if you have it.

And this check is for \$1,000,000.

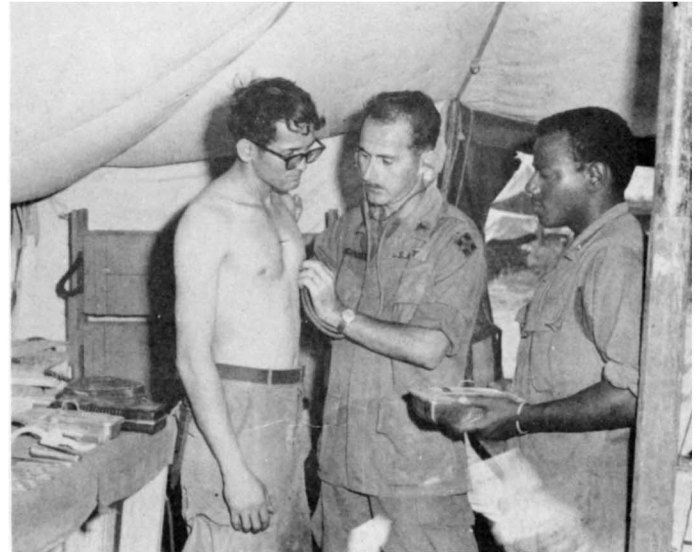

"Pals"

Well, you just try it!

Twiggy

The beat goes on.

When I said to get us a few rounds, I meant beer!

Yes, it took three weeks to paint just one.

No, I haven't read the Reg on SP's. Why?

Mary Lou Mess

Good work. Now let's put in the ingredients.

Quick, it's trying to escape!

Dead about a week I'd say.

Bishop's Bandits.

No truck to Kontum!

What do you mean, "Going forward?"

Seen any cooks?

Is there anybody in the field from B Company?

Coffee will be served in the Drawing Room.

FIRE BASE

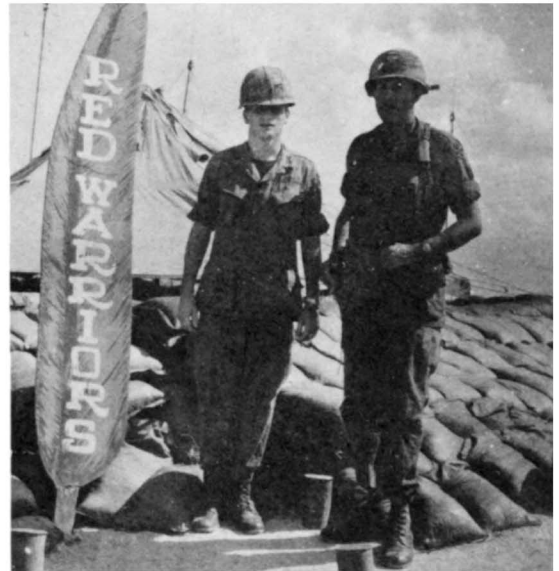

Home sweet home.

...and don't forget the wine and cheese.

Los Angeles?

Relax; soldier.

Family reunion.

Two by two.

You are now the proud owner of this Huey.

"In her hair she wore a yellow ribbon..."

There should be a good movie on Channel 5.

The PX had a special on these sun glasses.

OK, so then you leaned out of the chopper.
Then what happened?

Has it gone boom yet?

Up, up, and away!

Of course I can hear you, we're in the same conney stupid!

Picnic lunch.

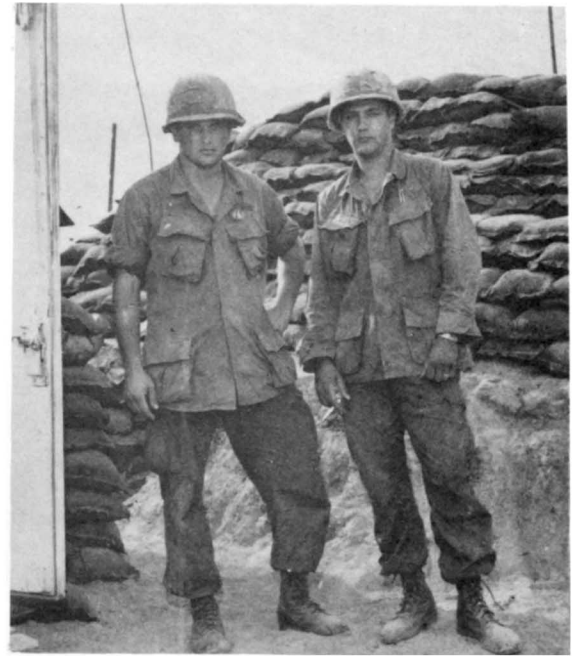

Smile

Now how do we get out?

The teeth are OK, but the gums are...

Think happy thoughts.

Yes, three more Pepsi's on the rocks.

I'll tell you why I Chieu-Hoied.

That's all you get!

Been guarding these C's for three days now.

Just like on Iwo Jima...

Come on baby, light my fire!

Don't look now, but...

Where is Main Street?

This park is sure run down.

We've looked everywhere, and still can't find it!

Find the key and wind it up.

It'll take more than mosquito repellent to kill this one.

Hey, guess what? It says my wife got married.

Great! Hot news, three weeks old.

Hey, these are all addressed to the 1st of the 22nd.

Now do I get canned peaches?

Little black hairs on my face.

Drink up.

Then, when he comes out....pow!

Hope you make it.

FNG's

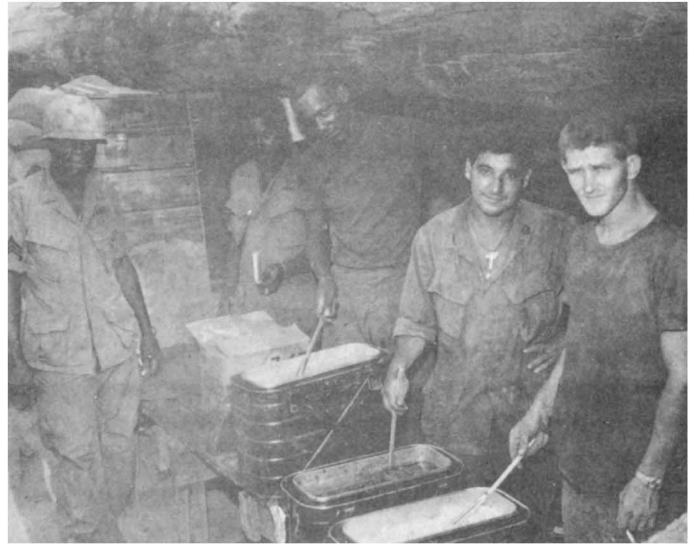

That's right, 100 cents make a dollar.

FIRE BASE MESS

Needs more Vermouth.

No, the issue is that I can't get the spoon out.

Two for you, two for me.

I'm too short to wait in line.

It's alive!

Are you sure this is how to play hopscotch?

Chop, chop.

Oh no, liver again.

Tastes like roast eel to me.

Oh boy, hot C's!

I know it's Monday, but...

An answer for help.

A hope for peace.

Concentrate guys, concentrate.

Gee, they're ignoring us.

Where's the rest of this bird?

You dummy!

The Boy Scout manual says you fold it this way,
that's why!

Four score and seven...

Two for you, two for me, two for you...

Captured ordinance.

As one protective mask to another, we're in a bind.
