

# LZ ROBERTS

I'm accidently extended for how long?

It's a busy signal, sir.

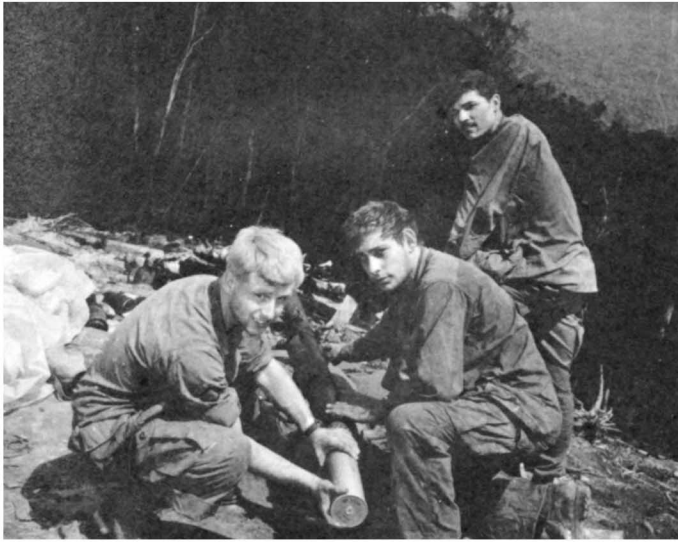

Mikes Boys.

That black rock just sneezed.

Designed by Frank Lloyd Wright?

This ought to wake up the LP's.

Now, take one step forward.

Isn't that a long way to dig a latrine?

If this ain't Candid Camera, you're wasting my time

He's still falling.

If mom could only see me now.

# 4/42 ARTILLERY

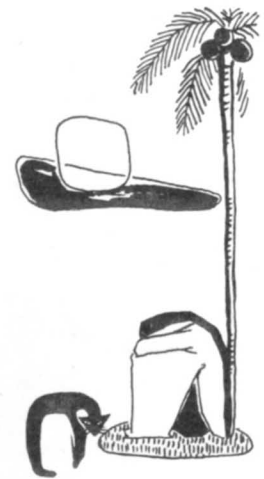

I didn't say "fore," I said "fire!"

You're hired! We didn't know how we were going to hold this sign up.

The gang's all here.

What's in a name?

No, that's the sound it makes.

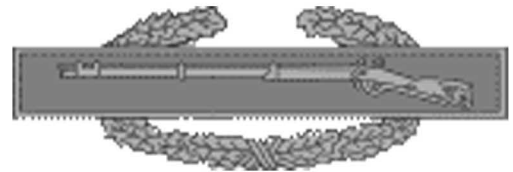

I've got be excused.

Ready...

That's its name, not its lineage.

That's right. She laid her eggs right there in the barrel.

Lost the rubber band.

# CA TEAM

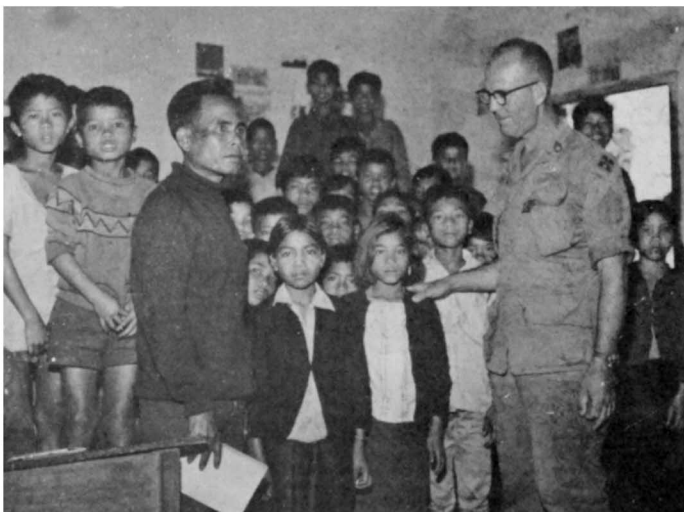

These guys just don't look familiar.

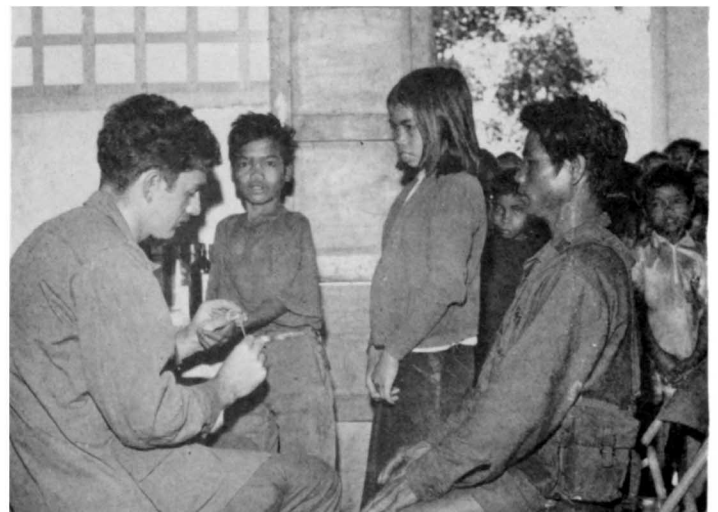

I need a volunteer.

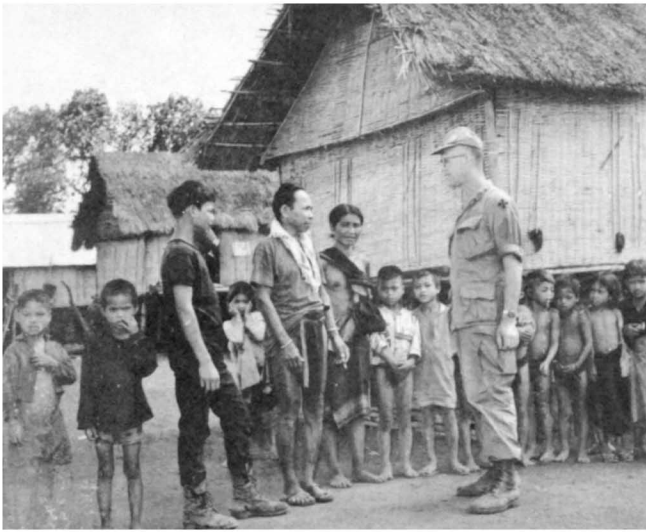

The Team

I know she is younger than I am, but that's love.

This won't hurt, I promise.

Well chief, are you sure all your kids are here?

Graduation Day.

Can you dig it.

The teams look even to me.

We must learn to blend in with the locals.
